## House Democratic Party Voting Loyalty: True Blue, not Blue Dog

### An analysis of Congressional Votes, January to September, 2005

**Legend:** **Against party**: voting with the Republicans against the Democrats. **Anti-bi-partisan**: voting against both Dems and Reps. **Bi-partisan**: voting with the crowd when there's agreement. **With party**: voting with Democrats and against Republicans. • Sort order of the data is based on **lowest percentage of voting against the party**, not taking into consideration votes where the Democratic Party position was the same as the Republican position.
