

Senate Democratic Party Voting Loyalty: Most Republican Democrats

An analysis of Senate Votes, January to September, 2005

Legend: **Against party:** voting with the Republicans against the Democrats. **Anti-bi-partisan:** voting against both Dems and Reps. **Bi-partisan:** voting with the crowd when there's agreement. **With party:** voting with Democrats and against Republicans. • Sort order of the data is based on **highest percentage of voting against the party**, not taking into consideration votes where the Democratic Party position was the same as the Republican position.

Senator	against party	anti-bi-partisan	bi-partisan	with party	Total Votes	% against party	% with party
Nelson (D-NE)	89	3	86	65	243	36.6%	26.7%
Baucus (D-MT)	45	6	79	107	237	19.0%	45.1%
